

# Nipomo Youth Basketball League

## Skills Day for All 3rd-6th Grade **Boys & GIRLS**

### Where and When

- Nipomo High School Outdoor Courts
- Sunday – October 8, 2023
- Times: *4-5pm*

### Who should attend

- **Boys & GIRLS** in 3rd, 4th, 5th, and 6th grades

### Purpose

The purpose of Skill Day is to give the volunteer coaches an opportunity to see the overall talent for **boys & GIRLS** in grades 3rd through 6th grades. Because physical development at this age can change very rapidly, it is important that the coaches receive better information as to the skill level of each player. Being at this evaluation gives us the opportunity to make teams as fair as possible so that players, coaches, and families have as much fun during the season as possible.

### Team Formation

Team formation is made by the volunteer coaches. They observe during skills day and then get together and draft that day. The coaches will not reveal who is on their team until it is finalized by the basketball committee.

### Skill Day Procedure

- Players will check in at the registration table.
- Coaches will check in at the registration table and be given evaluation sheets.
- Players will run through a series of drills.
  - Dribble the ball up to half court using their right hand and back using their left hand
  - Complete lay ups
  - Catch and shoot drills
  - Possible other drills

### Things to Remember

- This is NOT a tryout situation.
- All players will be placed on a team.
- All skills will not be shown in this short period of time.
- This gives the coaches an opportunity to see how tall and athletic the players have become over the year.

**Please make the effort to be at this evaluation and arrive on time.**
